Interventional Radiology

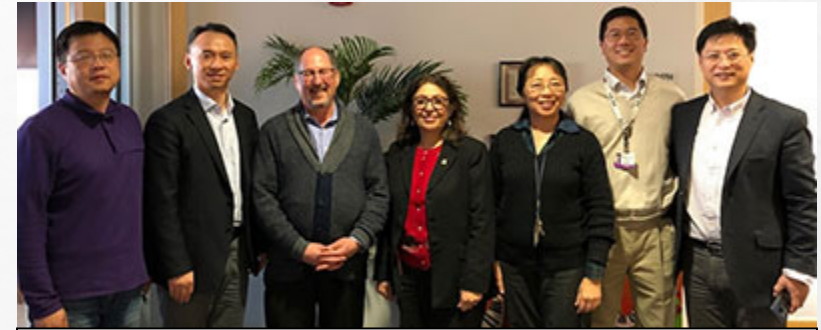

NEWS RELEASE

“Realization of a 20-year-old Dream: the International Society of Chinese Health Practices”

- Dr. Phillip Kuo and colleagues from *Beijing Normal University* are collaborating on a project to promote Chinese health practices such as Tai Chi.
- ISCHP (International Society of Chinese Health Practices) will co-sponsor conferences to facilitate collaborative research by scholars, students and faculty worldwide.
- The 1st-annual conference is planned for November, 2019 to be held at Beijing Normal University.

From left: Yan-Han, UA librarian; GuoFeng Qu, professor, Beijing Normal University; Doug Taren, PhD, associate dean for academic affairs, UA Mel and Enid Zuckerman College of Public Health; Iman Hakim, MD, PhD, MPH, professor and dean, UA Zuckerman College of Public Health, and Mel and Enid Zuckerman Endowed Chair of Public Health; Zhao Chen, PhD, MPH, professor and department chair, epidemiology and biostatistics, UA Zuckerman College of Public Health; Phillip Kuo, MD, PhD, professor, UA College of Medicine – Tucson; ShaoJun Lyu, professor, Beijing Normal University.

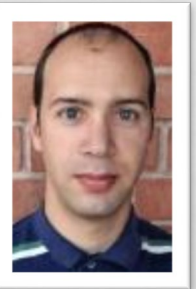

Professors GuoFeng Qu (left, holding banner) and ShaoJun Lyu (right) of Beijing Normal University present Irving Kron, MD, interim dean, UA College of Medicine – Tucson (second from right), a banner with their college motto: “Steadfastness and Innovation, Resilience and Future,” as Yan Han, UA librarian (left), looks on.

CONGRATULATIONS

Dr. Russ Witte

Dr. Witte has been invited to submit a Phase 1 application to the prestigious **W.M. Keck Foundation** representing the University of Arizona *Medical Research Track*. His application is based on real time imaging of the lymphatics system using photoacoustics.

Dr. Luca Caucci

Dr. Caucci has been named Principal Investigator of a long-standing R01 grant: *“Emission Computed Tomography and Parallel Computing”*. Dr. Barrett was the PI of this grant for the past 27. Dr. Caucci will continue leading the grant in collaboration with Drs. Clarkson, Furenlid and Kupinski.

RESEARCH DIVISION

The Research Division is in the process of designing promotional materials that will further promote their incredible projects.

The Dean's Council of Faculty Affairs (DCFA) is accepting applications for faculty facilitators for our college-wide **COMPAS** program, previously known as Mentoring Societies.

- Your role as a senior faculty facilitator is to provide your advice and experience to a group of up to 6 junior faculty that have been hired within the last 4 years
- All interested *Associate or Full Professors*, please apply by **JULY 29th**

Find more information on the COM-T website or click here

R&R IS ON THE WEB

- Find the R&R slides on the Medical Imaging Web site
- Click **About** then **Recognize & Reward**
- Contact [Jennifer Fischahs](#) to announce or promote anything within Medical Imaging or COM-T.

A screenshot of the Medical Imaging website. The header includes the logo for the College of Medicine Tucson and the text 'Medical Imaging'. Navigation links include Home, Directory, News, Events, Contact, and Log Out. A search bar and an 'APPLY NOW' button are also visible. The main navigation menu includes ABOUT, EDUCATION, FACULTY, RESEARCH, FACILITIES, and PATIENTS. The 'ABOUT' menu is expanded, showing options like CLINICAL DIVISIONS, DIRECTIONS, PUBLICATIONS, HOW TO APPLY, CONTACT US, and RECOGNIZE & REWARD. The 'RECOGNIZE & REWARD' page is displayed, featuring a large 'R&R' logo and a description: 'R&R is a presentation celebrating awards, events, accomplishments & announcements in the Department of Medical Imaging.' A red vertical bar is on the left side of the page content.
