NEW CHAIR SHINES

Geoffrey Rubin, MD, MBA, FACR

Dr. Rubin continues to connect with faculty, staff, Banner administrators and COM-T leadership in the process of building important relationships. He conveys a sincere desire to understand individual perspectives and has successfully dialed in on the urgent and important matters facing our department.

The Oct. 24th Tucson.com edition features Dr. Rubin in [“Tucsonans who have been moved, promoted or appointed in 2020”](#)

CONGRATULATIONS

Dr. Morello celebrated **10 years** with the Department of Medical Imaging this month.

Thanks for your hard work & dedication, Dr. Morello!

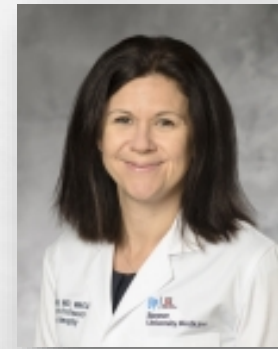

Pictured from left: Kevin Johnson, Maria Telles, PhD, Jane Pruitt, Tammie Anderson, Carol Stuehm, Frank Morello, pastry chef extraordinaire & Frank Morello, MD

CONGRATULATIONS

Dr. Becker is **President Elect** of the
Western Neurology Society
2020-2021

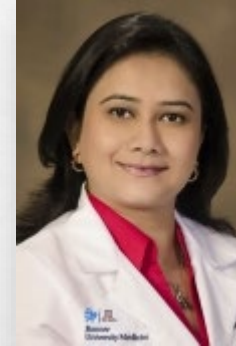

She will serve as **WNRS President** in
2021-2022

Jennifer Becker, MD

CONGRATULATIONS

- ▶ Dr. Arif-Tiwari is a part of the GI Cancer group recently highlighted for work related to the \$250,000 “Sparking Bench-to-Bedside Team Science Project” UACC award
- ▶ As part of the “Gut Group” she is researching the response of Pancreatic Ductal Adenocarcinoma to immunotherapy
- ▶ See the news release [here](#)

Hina Arif-Tiwari, MD

NEW GRANT

HRD Corps received a **\$28,250** award from [First Read Initiative](#)

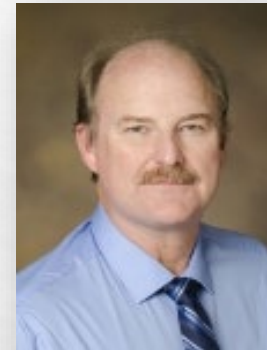

The funds will be used to finish construction and installation for CT and X-ray at the Caracol Clinic in Northern Haiti

A HRD Corps volunteer provides hands-on instruction with one of the Sequoia Ultrasound machines that HRD Corps donated to GHESKIO hospital, Port au Prince, Haiti. 2018

ACCEPTED MANUSCRIPT

Auer, Benjamin; Zeraatkar, Navid; Goding, Justin; Konik, Arda; Fromme, Timothy; Kalluri, Kesava; **Furenlid, Lars;** **Kuo, Phillip;** King, Michael: [Inclusion of Quasi-Vertex Views in a Brain-Dedicated Multi-Pinhole SPECT System for Improved Imaging Performance](#). Accepted by Physics in Medicine and Biology

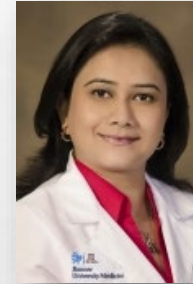

Lars Furenlid, PhD

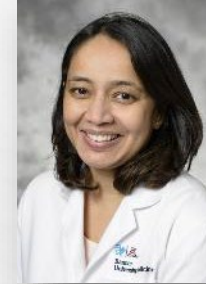

Phil Kuo, MD, PhD

ACCEPTED PUBLICATIONS

- ▶ **Mushtaq R, Jayagurunathan U, Arif Tiwari H, Yaddanapudi K.** [Pulmonary MRI: Applications and Use Cases](#). Current Pulmonology Reports. 2020 (Accepted)
- ▶ **Meshaal N, Arif Tiwari H, Jambekar K. Ram R.** Revisiting splenic lesions- an imaging review of the common and uncommon splenic pathology. Journal of Gastrointestinal and Abdominal Radiology. Manuscript: JGAR-2018-34 - (57); 2020 (Accepted)
- ▶ **Gopireddy D, Arif Tiwari H, Soule E, Sharma S, Kanmaniraja D, Jain K, Letter H, Lall C.** Spectrum of CT findings related to bowel adhesions: Comprehensive imaging Review. Journal of Clinical Imaging Science. Manuscript: JCIS_126_2020 (Accepted)
