Medical Imaging Welcomes Three New Faculty Members

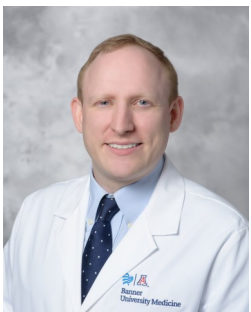

The University of Arizona Department of Medical Imaging (DMI) at the College of Medicine – Tucson is pleased to welcome three new faculty members from our graduating class of 2022.

Rami Sulaiman, MD, accepted a faculty position at Banner University Medical Center – Tucson in the Department of Medical Imaging. After recently completing his Abdominal Radiology Fellowship here in Tucson, Dr. Sulaiman joins the Abdominal Imaging Division as an Assistant Professor. Dr. Sulaiman joins the team on July 1, 2022.

Dushyant Mann, MD, will join the Department of Medical Imaging on July 10, 2022, as a Clinical Assistant Professor in the Abdominal Imaging Division. Dr. Mann completed his Fellowship in Body MRI after also completing his Diagnostic Radiology Residency here at the UArizona College of Medicine—Tucson.

Daniel Goldberg, MD, accepted a faculty position at Banner University Medical Center – Tucson in the Department of Medical Imaging. Dr. Goldberg received his Interventional Radiology Independent Resident Certification and joins the Interventional Radiology Division as an Assistant Professor beginning August 1, 2022.

Please join us in welcoming these new faculty members to Banner University Medical Center – Tucson and the University of Arizona Department of Medical Imaging.
