

The Department of Medical Imaging Welcomes Scott Hatchett and Lori Zimmerman

Dear Colleagues:

I am pleased to announce that **Scott Hatchett** has accepted the position of *IT Business Analyst III* in the Department of Medical Imaging, effective October 4, 2021.

Scott will serve as a liaison between Banner Health and UArizona to optimize performance, reinforce business planning and medical imaging forecasting. He will be focusing on the management of departmental operations and finance to support our clinical and research missions.

Scott graduated from University of Phoenix earning a Bachelor of Business Administration with a concentration in finance and minor in accounting. Scott will receive a Master's in Accounting- CPA Track, from Grand Canyon University in Phoenix, AZ.

Prior to accepting this position, he served as a Business Analyst Consultant for Banner Health and as a Financial Analyst/Senior Accountant for St. Elizabeth's Health Center. Scott brings a wealth of experience in Medical Imaging and a proven track record of success.

I am confident that Scott will be a strong asset to Medical Imaging. His office will be in the Health Sciences and Innovation Building (HSIB) room 52.

It is also my pleasure to announce that **Lori Zimmerman**, Business Manager, Senior, has joined Medical Imaging on a part-time basis. Lori will help us manage all research grants and assist with business administration for the group.

Lori is working part-time in the Administrative Offices, HSIB room 45. She was previously working for the UArizona Departments of OB/GYN and Ophthalmology. We are very excited to welcome her back and fortunate to share her with Ophthalmology.

As you are able, please take some time to introduce yourself to Scott and Lori, as we welcome them to the team.

Kind Regards,

Mark Shearer

Administrator
